DAVID PHELPS

David Phelps is a critically acclaimed, internationally collected contemporary sculptor. Phelps creates large and small scale bronze sculpture for galleries and public art commissions. He was raised on his family's farm in California's central valley, received his BA from Humboldt State University in California and MFA in Sculpture from The University of Oklahoma. After a residency at the Kohler Co. Arts in Industry program, he began his current work of figurative bronzes, partially submerged in the ground plane. His works are represented in many public and private collections across the United States, as well as in Europe, Canada, Mexico, and South America.
